ANA CLARA AMORIM CAVALCANTE

CREATIVE DESIGNER & SYSTEMS THINKER
ANÁPOLIS, GO, BRAZIL (REMOTE READY) | ENGLISH PORTFOLIO | GITHUB

PROFESSIONAL SUMMARY

Curious, detail-oriented designer and problem-solver dedicated to building intuitive digital experiences at the intersection of music, data, and trend-driven media. Drawing from a multidisciplinary background in industrial graphic design and administrative operations, I specialize in creating scalable visual systems for high-growth environments. Inspired by the dynamic nature of the music industry, I aim to leverage my expertise in design precision and organizational excellence to contribute to Afterpeak's mission of streaming optimization and creative A&R development.

CORE COMPETENCIES

- Design & Branding: Visual Identity, Typography, Digital Asset Creation, UI/UX Principles, Industrial Print Work (Lithography).
- Tools: Figma (Advanced), Adobe Creative Cloud (Photoshop, Illustrator, InDesign), GitHub (Version Control/Hosting), Microsoft 365 (Data Management), CapCut (video editing), CRM (RDStation), n8n (webhooks), Docker (create conteiners), ClaudeFlare, Self Hosting Websites, AI Tools (Claude, Gemini, Open AI), Elementor | Wordpress, Notion, Click Up, Bitrix24, Corel Draw, Microsoft Clarity, Google Analytics, CSS, HTML, Ableton Live (basic), Trello.
- Operational Excellence: Workflow Optimization, Stakeholder Communication, Complex Database Management, Remote Collaboration.
- Strategic Thinking: Trend Analysis, A&R Visual Research, Systems Thinking for Large-Scale Catalogs.

PROFESSIONAL EXPERIENCE

ASSOCIAÇÃO EDUCATIVA EVANGÉLICA | UniEVANGÉLICA UNIVERSITY | Anápolis, GO Marketing Administrative Assistant | September 2025 – Present

Acting as a key Web Designer within the marketing department, transforming course offerings into high-conversion digital experiences. Designed and prototyped numerous interactive interfaces using Figma, ensuring a seamless user journey from discovery to enrollment. Created and launched dozens of strategic landing pages across RD Station and Great Pages, focusing on lead capture and brand positioning. Leading data-driven optimization by utilizing Microsoft Clarity to analyze heatmaps and user session recordings, identifying purchase intent and sales potential for various educational products. Generating comprehensive reports on user behavior to support the sales team in identifying high-potential leads based on heatmap engagement.

CARTONAGEM E LITOGRAFIA ANAPOLINA LTDA | Anápolis, GO Graphic Design Assistant | July 2023 – October 2024

Developed technical graphic assets for industrial-scale lithography, ensuring 100% precision in color profiles and layout.
Collaborated on the end-to-end production of visual materials, balancing creative design with technical manufacturing constraints.
Refined branding assets for diverse product lines, emphasizing visual clarity and market-readiness.

EDUCATION & ACHIEVEMENTS

Oswaldo Verano School | Anápolis, GO -Brazil Certificate in Plastic Arts | 2019

UniEVANGÉLICA | Anápolis, GO - Brazil Graphic Design (Full Scholarship Recipient) | 2025

Awarded a prestigious full academic scholarship based on high-performance entrance results (Classified in 1st call).
Studied fundamental principles of spatial hierarchy, user experience (UX) in physical environments, and aesthetic balance.

UniEVANGÉLICA | Anápolis, GO - Brazil Artificial Intelligence (Postgraduation) | 2026

(Online) Started Jan 2026 — Currently Pursuing

PERSONAL BRANDING & TECH PROJECTS English Portfolio Development | GitHub

- Self-architected and hosted a professional English portfolio using GitHub Pages, demonstrating technical autonomy and a "Designer-Tech" mindset.
- Curated a collection of visual projects focused on the modern digital landscape, prioritizing clean UI and interactive storytelling.

VOLUNTEER & AMBITIONS

Focused on the evolution of the Music Tech landscape. Dedicated to joining Afterpeak to support its remote-first, high-frequency label operations through disciplined design and innovative visual strategies.
